

To All in Our Community:

The health and well-being of our employees, their families, and our client partnerships are, as always, one of W. W. Enroughty's top priorities.

Please know we are closely monitoring COVID-19 and are implementing protocols set forth by the Centers for Disease Control and Prevention, www.cdc.gov and the Virginia Department of Health, www.vdh.virginia.gov.

Our offices remain open, we have instituted a flexible remote work policy for our administrative staff, our crews are dispatched, and our management team is available to answer questions and respond to schedule changes as they arise. We will be adhering to all federal, state and local recommendations during this time.

Be safe and thank you for being a valued member of the Enroughty companies.

*Sincerely,
W.Wayne Enroughty
President*
